

White Rose Riding Club Rules & Code of Conduct

White Rose Riding Club was founded in 1965. Our facilities are at Lair Grange, South Dalton where we run a variety of events and activities.

White Rose Riding Club Code of Conduct

The club is affiliated to the national British Riding Clubs organisation which is part of the British Horse Society. Our club is in Area 4 of the BRC.

Club members are bound by the BRC Code of Conduct, the full details of which are published annually in the BRC Rulebook. It is available to download free of charge at www.bhs.org.uk/enjoy-riding/british-riding-clubs

All members are expected to behave with consideration for others at all times. Unpleasant, abusive or offensive behaviour to any member, guest or official will not be tolerated.

The welfare of the horse/pony is paramount and all members are expected to adhere to the British Riding Clubs Code of Conduct for welfare at all times.

Members of Club Teams must recognise their responsibilities as team members and their conduct at events reflects positively on the club.

Members are asked to abide by the spirit of the club objectives. To help and encourage others, improve standards of riding and horsemanship in a safe and positive environment.
